Child Find Notice

- Are you worried about your child's development?
- Does your child have difficulty communicating with people outside the family?
- Does your child have difficulty keeping up with other children their age?
- Does your child have concerning behaviors?
- Does your child have a medical disorder or birth defect that interferes with their development?
- Does the child seem to have hearing or vision issues?

Olympia School District can help! **Any child, birth to five**, whose family has concerns about their child's development and lives within the **Olympia School District Boundaries** can contact our office to receive a free Child Find Screening.

For details visit bit.ly/OSDChildFind or scan the QR Code above.

What happens during a Child Find screening?

The purpose of a Child Find Screening is to identify issues that may affect your child's learning, growth, and development and to help parents identify their child's strengths and weaknesses.

Potential outcomes of a screening include recommendations for the family to implement in the home, a recommendation for a comprehensive evaluation through the school district, or a referral to a community agency for support.

Where can I go for a screening?

For more information and to schedule a screening with your child, please contact:

- Olympia School District Early Learning Line: **(360) 596-7539**
- Olympia School District Early Learning Email: **earlylearning@osd.wednet.edu**

If your family is living in a temporary situation, you may contact the local district for a screening.

WAC 392-172A-02040: School districts shall conduct child find activities calculated to reach all students with a suspected disability for the purpose of locating, evaluating and identifying students who are in need of special education and related services, regardless of the severity of their disability.
