Madison to Roosevelt 159 students = 2 routes (which is what Madison has currently). No added routes even with walk zone added. Approx. 80 students assigned to each route (many won't ride)

Madison to Pioneer ride times would be very close to the same as Madison to Roosevelt (shown above)

McKenny to Pioneer - add 7 minutes each direction = approx. 15 extra minutes on the bus per day.

Would need to add a bus for McKenny's walk area (both McKenny buses are currently at or near capacity) at a cost of \$31,941 per year.

McKenny to Centennial causes a problem since buses currently serve both schools. 2-3 routes would need to be added for McKenny to Centennial - approx 10 minutes extra per day added to current ride times at a cost of \$63,882 to \$95,823 per year.
